Homework
In Year 5, homework will be weekly spellings, with a spelling test every Friday, daily reading, and a Flipped Learning homework to prepare children for their learning in the following week.

Children will also receive a list of homework projects that they can complete over a half-term. Homework helps in many ways and we ask that you continue to support your child’s learning at home. Please make sure that children complete their homework.

Thank you!

Class 5F’s Motto
We’ve chosen mottos that we think are really important and have them displayed in our classrooms!

“When you’re kind to others, it not only changes you it changes the world!”

Class 5T’s Motto
We’ve chosen mottos that we think are really important and have them displayed in our classrooms!

“We are not a team because we work together, we are a team because we trust and care for each other!”

Star of the Week
Two children from Y5 will be chosen each Friday to be our Stars of the Week. We’re looking forward to finding out who will be our first Stars of the Week this year! Children that are chosen will get some special treats for the next week and we encourage you to celebrate this achievement at home with your child!

Topics This Term!
The first topic for Year 5 this year is called “People Power”, which focuses on how people have changed the world for the better. The children will be finding out about famous people from history and the present day, that have stood up for what they believe and made change happen.

In Science, children will be learning about animals including humans. We will learn about changes that happen to our bodies as we get older.

Online Home Learning
Children have access to a range of educational websites that they can use at home to support their learning. Your child will have been given their usernames and passwords. Please encourage them to access these resources regularly at. We currently subscribe to Times Table Rockstars, Purple Mash, Mathletics and Bug Club (Reading). Please speak to us if you have any problems!

Marvellous Me
We will send regular updates to you throughout the year using Marvellous Me! Please make sure your Marvellous Me is working correctly. If you are unable to login then please let us know so that we can send your login details to you again. It’s really important that you check any messages that we send to you – there might be messages about homework or trips etc

AR Reading
Just a reminder that children should be reading for 15 to 30 minutes each night. They need to have their book in school each day so they can complete the reading quizzes and change their books. We look forward to seeing lots of 100% in your quizzes!

We reward children who make noticeable progress across the term in their reading. This is often the children that read the most at home!
