I am the JLT head of pupil voice in school and I have a committee that I work with to see what the children’s opinions of our school are.

One thing that I love about what I do is you get to hear other people’s opinions and ideas and I also like to help people think of positive changes in our school.

Some things that you need to know about me are that I’m aware of my strengths and weaknesses and I’m trying to be the better me. I also love football and support Manchester United.
