Lozells Primary School Remote Learning Plan – Lockdown January 2021

Thursday 21st January

Dear Parents/Carers,

Thank you for your patience as our team of teachers and teaching assistants have worked hard to get remote online learning set up.

Our Remote Learning plan follows the guidance from the Department for Education which suggests schools have a combination of 'recorded lessons **OR** live lessons' along with 'time for pupils to complete tasks and assignments independently.' We will review our remote learning plan regularly and keep you updated. Your child's well-being is our priority, so we ask that children work through the activities as best they can and have regular breaks away from a device screen - perhaps to read a book, play a game, bake or go for a walk.

EYFS children Nursery and Reception children	Key Stage 1 Children Years 1 and 2 children	Key Stage 2 Children Year 3, 4, 5 and 6 children
<p>Weekly schedule sent to parents via email or MME.</p> <p>Class Teachers will create a daily SWAY which will include:</p> <ul style="list-style-type: none"> • Personal, social and emotional development activities. • Opportunities to develop communication, language and listening. • Physical development and 'move your body' activities. • Literacy activities including storytelling and writing. • Number, shape, space and measure songs and games. • Creative activities, art, cooking and understanding of the world. • For Reception - daily SWAY will also have recorded phonics and maths sessions. 	<p>Daily schedule sent to parents via MME and saved on the Lozells Virtual Classroom.</p> <p>KS1 Class teachers will create a daily SWAY and add activities to include</p> <p>At least 3 hours per day.</p> <ul style="list-style-type: none"> • Daily Maths recorded lesson (can also be White Rose video). • Daily phonics/spelling lesson (using school scheme Floppy Phonics or Read Write Ink). • Daily Reading lesson can be recorded by a teacher or a story from the Oak National virtual library or an independent text. • Daily handwriting activity - CGP book. • Daily English Writing lesson – recorded by teacher or from high-quality online websites. (Grammar skills included). • Additional subject lessons – can be from high-quality online resources – to include Well-being/ PSHE, PE and Science weekly. At least 3 times per week. • Independent reading – 20 minutes daily – MyOn and Bug Club Active Learn. 	<p>Daily schedule saved onto the Lozells Virtual Classroom on TEAMS accessed through RM Unify.</p> <p>At least 4 hours per day.</p> <ul style="list-style-type: none"> • Daily Maths recorded lesson - recorded by teacher (can also be White Rose video). • Daily Reading lesson - recorded by teacher or from high-quality online resources. • Daily spelling activity – Read, Write Ink. • Daily handwriting activity – CGP. • Daily English Writing lesson – recorded by teacher or from high-quality online resources. • Additional subject lessons – from high-quality online websites – including Well-being/PSHE, PE and Science weekly. • Independent reading – 30 minutes daily. • Independent use of CENTURY, TT Rockstars, Mathletics.
At least two live TEAMS lessons per week.	At least 2 live TEAMS session per week – in place of a recorded lesson.	At least 1 daily live TEAMS session – in place of a recorded lesson.

IMPORTANT Safeguarding children

Please call the school office if your child is unwell and not able to complete work – 0121 566 4450.

- Staff will call to say hello to children at least every two weeks – this call could be from a withheld number.
- Please monitor your child's use of the internet carefully.
- Please ensure your child follows the TEAMS Safety Rules during live lessons.
- Remind your children to use the chat on the Lozells Virtual classroom sensibly.
- Children must have regular breaks away from a device and regular exercise of 20 minutes daily.

Report concerns about a child to Miss Welch - call the school office.

Requesting a laptop for your child (one per family) or help with internet data costs

Please contact the school office to request a device or for help with internet data costs.

Please note: school will be ordering more devices.

Weekly work packs/ work Books

In order to help children who do not have a device or who prefer to work on paper, teachers will be creating work packs weekly – these activities will cover the same learning as the online learning as much as possible, but with different activities for example.

Please notify the office if you wish to collect a pack.

To help children work more independently and also away from a screen, school will also be purchasing a series of age-related work books for some of the core subjects including the following: arithmetic, handwriting and reading comprehension for most year groups. Children will be given instructions on when to complete each page.

We hope parents can collect these from school this week - more information will follow.

What will remote learning look like for children with identified Special Educational Needs?

Our school SENDCO, Mrs Bond, will contact parents of children with an EHCP entitled to a school place or needing an individual remote learning schedule, lessons and resources. Where children would normally receive additional support from SEND agencies, Mrs Bond will plan for those to continue via Teams where appropriate and possible.

Marking and Feedback

Please help your child share their work with their class teacher by emailing photographs/work to the teacher's email or uploading completed Word/PDF documents to the Lozells Virtual Classroom in the 'Assignments' section or you can bring back a completed work pack for your child's teacher to mark.

It is expected that ALL children have an early start to their day and will start to complete the work set either online or in their work packs from **9:30am each day** at the latest. Teaching staff will be supporting your child's engagement with their learning and may contact your child by phone to give them further specific support. Teachers will provide feedback on work for children individually, or to the class as a whole or quizzes may be marked automatically. We know that many parents are helping a number of their children and could be working themselves from home at the same time – we understand this and ask that children try to complete the English and Maths activities first.

Further information

Please do not hesitate to contact school if you have any queries: enquiry@lozells.bham.sch.uk

Or call the school office on: **0121 566 4450.**

We appreciate your support.

Yours sincerely,

Mrs A.K. Dhesi, Head teacher
