Dear Parents/Carers

## New Catering Provider and School Dinner Menu

We are pleased to share with you the exciting news that with effect from 9<sup>th</sup> January 2024 we will have a new catering provider, ABM Catering Ltd, to offer our pupils a well-balanced, nutritious, fun meal and a much-improved service.

Following a robust procurement process, where several other catering providers were considered and a small mini competition between providers was carried out, both the pupils, Governors and staff were most impressed with the food and culture ABM Catering Ltd will bring to our lunchtime provision.

The new menu is now available for you to view on School Gateway. For those children who are not eligible for Universal Infant Free School Meals the cost has not changed and it remains £2.60 per meal.

Parents and carers with children with allergies or sensitivities and intolerances will need to complete a special diet form online before starting back on 9<sup>th</sup> January. If the form is not returned your child will be served a jacket potato and beans until the form is back for safety reasons. Please see the attached letter for details on how to complete the form.

For those parents with children who bring a packed lunch to school I strongly urge you to take a look at the new menu. Should you wish to change your child's meal pattern to school dinners, to try the new exciting menu then please ask for a form at the school office.

Watch this space for lots of future themed days in our dining hall!

Yours faithfully

Miss J Duffin  
School Business Manager
