

Lozells Junior and Infant School and Nursery

Competitions 2023 - 2024

PE and Sports provision

Competition	Year Group/s	Term/s	Number of children	Impact/Achievement Summary
Boccia	5/6	Autumn 1	4	SEND Pupils attended the KESSP Boccia competition at King Edwards School. Children all took part and gained points. Pupils learnt the rules of Boccia, how to throw effectively using a range of techniques. The pupils enjoyed the event!
Athletics competition	5/6	Autumn 2	16	The competition was a competition where pupils took part in a number of track and field events from running, jumping and throwing events. Pupils learnt the correct actions and format of these events to be able to compete with other schools.
Primary leaders	5/6	Autumn 2/Spring 2	4	As part of a new scheme we took 4 pupils to a leader's course – at the course the pupils learnt the importance of being a leader, their roles and what skills they need to be a leader. The pupils took part in four stations with different activities. The pupils gained their bronze badge and will continue their leader course during break time and lunch times to make an impact on the whole school by setting up stations and activities that pupils can play and engage in at break times and lunch times.
Steps to success.	3/4	Spring 1	10	Steps to success was a fine and gross motor skills event for those who need extra support with their movement. Pupils learnt how to run, jump and climb correctly using different equipment. This event gave the pupils confidence to compete against other schools, while developing core skills.
Aston has got talent	4-6	Spring 1	12	Pupils spent the term with Mr. Whelan learning how to perform the African drum, while the Year 3-4 dance after-school club pupils performed a dance for this event. The event at Sutton hall was an amazing venue for the pupils to experience. The children performed their act in front of a live audience. The African drummers gained a bronze medal (3 rd place) for their routine!
Biggest ever Girls Football Festival	5/6	Spring 2	8	Mr. Whelan took the girls from his Monday 'Girls football club' to Trinity road to compete against other schools in 'The biggest ever girls football event' where around 3000 schools took part across the country. The girls did incredibly well as they won two games drawing one game and losing one game. Throughout the day, they had smiles on their faces, as they enjoyed competing comfortably in a sport, which can be dominated predominately by boys in school.
AVFC – The reading takeover	Y5	Summer 1	30	We used our partnership with AVFC to take 30 year 5 pupils to Villa park, here they were inspired by the amazing facilities at the ground, as they listened to an author's experiences and stories, the pupils were very inspired by this event taking home a book each from the author, this left the year 5 pupils wanting to be authors or footballers (attending the Villa ground).
Year 3&4 Athletics competition	Y3/4	Summer 1	8	The competition was a compete competition where pupils took part in a number of track and field events from running, jumping and throwing events. Pupils learnt the correct actions and format of these events to be able to compete with other schools. Pupils achieved 5 th place. Pupils have now learnt the fundamentals of athletics.
Titan Olympians Aston University.	Y 5	Summer 2	30	Year 5 took part in the Titans Olympics at Aston University, here they took part in events such as water polo, basketball dodgeball and gym. The pupils gained a lot of exposure to lots of different sports, inspiring them to try something new. Not only this, the pupils were inspired by the university facilities. We came 3 rd place in the event.
Young leaders – bowling event. Gold badge.	Y5	Summer 2	8	Our young leaders attended a bowling event where they had some food and went bowling with the other leaders. This was a celebration for them receiving their gold badge for completing the whole course. During the course, the leaders delivered coaching sessions to younger students, here they had to show their confidence, communication and overall leadership skills. The pupil spends their lunchtimes
Athletics competition Y5&6	Y5/6	Summer 2	8	The competition was a compete competition where pupils took part in a number of track and field events from running, jumping and throwing events. Pupils learnt the correct actions and format of these events to be able to compete with other schools.
Health for life event	Whole school.	Summer 2	4 pupils' young leaders	During this event, the young leaders showcased some of the work they have been doing to ensure pupils can complete 60 minutes of activity every day. The pupils demonstrated some of their activities they have delivered this year, while showing the skip to be fit initiative that we have involved ourselves within. In addition, pupils also learnt from the other stations that they had visited on how to lead a healthy life-course, as they investigated nutrition being active and gardening for well-being.

Lozells Junior and Infant School and Nursery

Lozells has got talent (intra-school competition).	Whole school.	Summer 2		Miss Mason spent two term to organise this event. Aligned to this event were auditions, performances, lunch and after-school clubs to ensure their performances were the best they possibly could be. During the end of this event, the pupils performed their performances to governors and the parents. There was a judging panel, who announced the winners. The event was an amazing showcase of the talent at our school and the pupils enjoyed the experience and were proud of their performances.
--	---------------	----------	--	---

Athletics year 5 & 6. The competition was a compete competition where pupils took part in a number of track and field events from running, jumping and throwing events. Pupils learnt the correct actions and format of these events to be able to compete with other schools.

Olympics at Aston University, here they took part in events such as water polo, basketball dodgeball and gym. Year 3&4 Athletics competition - 8 pupils went to King Edwards to participate in a range on Athletic activities such as shot put, Javelin etc. The pupils enjoyed the event very much and they learnt news sporting skills.
