

We are delighted to have reached the start of the summer term and are incredibly proud of the fantastic progress the children have made so far this year. Their hard work and enthusiasm have truly shone through.

The summer term is always a busy and exciting time, filled with special events and, hopefully, plenty of warmer weather for us all to enjoy!

As we approach the Multiplication Tables Check (MTC), we encourage continued practice at home using TTRS, as this will really support the children's confidence and fluency.

We are looking forward to another fun, productive, and successful term ahead!

## Dates for your diary.

Thursday 23<sup>rd</sup> April- Lozells Got Talent
