IMPORTANT

Please remember it is very important to book your child's meal every single day. Please do this with your child, so you are selecting a meal that they enjoy eating.

Please keep on remembering to bring your child's water bottle to school every day. Please write their name on them. You **do not need** to bring any snacks into school as fruit and milk are provided each day.

Please remember to bring their book bag to school every day, and look after the book bag and the books inside.

Remember it is very important to read and share the story book with your child and support their phonics through the phonics book.
