

Reception's Newsletter

Hello lovely families. Well, what a fabulous start we have had to our year in Reception. We thank you for all your help and support to settle your wonderful children. On our first newsletter, we will share with you some important information, so please have a little read.

Our first special topic is called '**Marvelous Me**'. I wonder what makes your little one unique and special in our world? This topic will give us chance to find out! If you have any family photographs that we could have, please bring them in.

Please remember to bring your child's water bottle to school every day. Please write their name on them.

You **do not need** to bring any snacks into school as milk and fruit will be provided.

Please bring in a bag with some **spare clothes inside** for your little ones. There might be times when we need to support them to change into dry clothes. Could we also ask you to write your child's name in all of their school clothes.

Please remember to register and sign up for the School Gateway app. This will help you to make payments for dinner money, trips, clubs, and all school communication will be through this app.

Please remember to select your child's meal every day, otherwise they will be given a jacket potato for their lunch.

We will be hosting a Phonics workshop and a Reading workshop; we will inform you with the dates very soon.

If you require any support or any further information about anything else, please do not hesitate to contact any of the Reception Team.

If the children come home from school with a little mud or paint on their shirt please don't be sad. It's all part of their learning journey, and it tells a story that the children have had fun at school. The staff will encourage the children to wear aprons.
